DATA PROTECTION

The personal details that you complete on this form are the only ones that the Upper Eden History Society will ask you to supply. Email addresses and other personal details are used only by members of the Society's committee for communication with members to distribute information relating to the Society's activities. Members' email addresses and other details will never be passed to any other person or organisation.

If a subscription is not renewed, this form and related computer records will be destroyed in the March following the start of our year, 1 October.

Completion of this form shows your acceptance of the above.
